1970
ANNUAL
REPORTS *of the town of*
Haistow
NEW HAMPSHIRE

"... I can only guess at power in the
leaves dry scuffle
And look with a wonder at such stern
enterprize:
Your breadth ready for what the days
may unruffle
Carries a proud light against the mov-
ing skies".

The quotation on our cover is from the poem *Tree Against Sky*, written about our Great Elm, and published in one of Daniel Webster Smythe's books, *Strange Element*, (The Golden Quill Press, Francestown, N.H.) "Dan" Smythe lived on North Avenue, in Plaistow, for many years with his mother, father and brother. He received his M.A. and Ph.D. in English at the University of Pennsylvania; was a biographer of Poet Robert Frost, and is presently Poet-in-residence at Bradley University in Illinois.

Other books which Dan has had published include *Steep Acres*, *Only More Sure*, *Brief Inheritance*, *Man in the Land*, and *Robert Frost Speaks*.

TOWN WARRANT
The State of New Hampshire

To the inhabitants of the Town of Plaistow in the County of Rockingham in said State, qualified to vote in Town affairs:

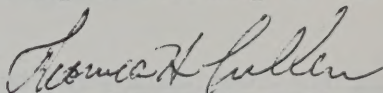

You are hereby notified to meet at the Town Hall in said Plaistow on Tuesday, the ninth of March, next, at eight of the clock in the forenoon, to act on the following articles:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of same.
3. To see if the Town will vote to accept Trust funds now held by the Cemetery Trustees.
4. To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.
5. Shall the provision of Chapter 171-A of the revised laws relative to playing games of Beano be adopted in this Town?
6. To see if the Town will vote to establish a full-time police officer, and vote to raise and appropriate the sum of Eleven Thousand, Five Hundred Dollars (\$ 11,500.00) to cover the salaries, social security, workmens compensation, and insurance for eight (8) hours a day, seven (7) days per week, fifty-two (52) weeks per year police coverage. (Recommended by the Budget Committee)
7. To see if the Town will vote to raise and appropriate the sum of Three Thousand, Five Hundred Dollars (\$3,500.00) to purchase one (1) fully equipped police cruiser for use by the full time police officer. (Applied to Crime Commission for assistance in this program.) Recommended by the Budget Committee.
8. To see if the Town will vote to raise and appropriate the sum of Fourteen Hundred Dollars (\$1,400.00) for the purchase and installation of a police base station radio. (Recommended by the Budget Committee)
9. To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Sixty Dollars (\$ 16,060.00) for the renovation of the upstairs auditorium of the Town Hall for the use of the Municipal District Court and for other purposes. (Recommended by the Budget Committee)
10. To see if the Town will vote to raise and appropriate the sum of Three Thousand, Nine Hundred and Seventy-Three Dollars and Seventy-Eight Cents (\$3,973.78) to cover excess expense in connection with the construction of the Town water line to the Westville area. (Recommended by the Budget Committee)

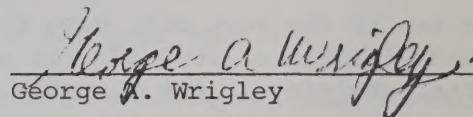

11. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) for the construction of a four (4) foot wide hot top sidewalk with a curbing on Greenough Road from the Danville Road to the Timberlane High School. (Not recommended by the Budget Committee)
12. To see if the Town will vote to raise and appropriate the sum of Six Hundred Dollars (\$600.00) for purchasing and erecting of additional steel shelving in the Plaistow Library. (Recommended by the Budget Committee)
13. To see if the Town will vote to raise and appropriate the sum of Three Thousand, Six Hundred and Sixteen Dollars (\$3,616.00) for the annual budget of the Southern Rockingham Regional Planning District. (Recommended by the Budget Committee)
14. To see if the Town will vote to request and see- the assistance of the New Hampshire Tax Commission to make a complete reappraisal of all real estate within the town and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) therefore. (BY PETITION) (Not recommended by the Budget Committee)
15. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to be set aside in a Special Reserve Fund for the future purchase of new and improved equipment for the Fire Department. (Recommended by the Budget Committee)
16. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the support of the Greater Salem Mental Health Association. (Recommended by the Budget Committee)
17. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for a Summer recreational program for the youth (grades one through twelve) of Plaistow. (Not recommended by the Budget Committee)
18. To see if the Town will vote to accept as submitted the reports of Agents, Auditors and other officers and committees heretofore appointed.
19. To transact any further business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEAL this 3rd day of February in the year of our Lord, Nineteen Hundred and Seventy-One.

RUTH E. JENNE
Treasurer

Report of The Selectmen

The Town closed the year with a net unexpended balance of \$613.87. The total valuation of the Town increased in the amount of \$1,711,149.00 making our present valuation \$14,420,042.00.

There were 412 veterans exemptions, 4 totally disabled exemptions and one blind exemption for a total of \$22-872.46.

The largest increase in our budget expenditures was in our School Tax over which we have no control. This increased \$177,877.12 from \$938,475.71 to \$1,116,352.83.

The water line to the Westville area has been completed and is now available for fire protection. The New Hampshire Fire Underwriters have informed us that insurance rate credit is applicable to areas adjacent to the hydrants and not the Town as a whole.

The "Town Road Aid" money was used to correct a surface water drainage problem on Dauntless Lane by installing catch basins and concrete pipe.

Work on the cemetery addition this year included bringing the road up to grade with gravel, removing stumps, raising up and loaming of lots. It is the intention of the board this year to proceed with improving the new section.

We regret to inform you that the proposed Plastic Plant planned by Raymer Plastics in the vicinity of Kingston Road, for which the town voted a \$40,000.00 bond issue, has been forced to be delayed due to the present economic climate.

A survey has been made of present and proposed water holes by the Rockingham County Soil Conservation at the request of the Selectmen, and the Fire Chief for the purpose of installing dry hydrants for fire suppression. The report was completed too late this year to implement any of the recommendations.

Considerable time has been spent by the Board of Selectmen with Police and Fire Department heads towards working towards better protection of all the people and property in the town. We hope that the people will support the recommended articles.

The Selectmen want to thank Albert (Vic) Geary of the Danville Road for giving the Town the use of his property, for the construction of a sidewalk to the Timberlane Regional High School on the Greenough Road.

The year 1970 must be reported as one of the busiest ever for the Board of Selectmen. However, much care and effort have been put into the filling of appointive positions during this period and we are confident that full attention can be given to all areas of municipal administration in 1971 and subsequent years.

Appreciative of the affects on all of our citizens of inflation and a hesitant economy, we have continued to practice economy in Town government, to the ex-

tent that it is practicable under our system of administrative limitations. We are fully aware that the tax dollars which we spend are the same dollars which which you, our citizens, might otherwise have spent on food and clothing for your families.

Thomas H. Cullen, Chairman

Norman L. Major

George A. Wrigley

BOARD OF SELECTMEN

REPORT OF THE HIGHWAY AGENT

In 1957 there were fifty-four streets in Plaistow. At the end of 1970 there were a total of ninety-eight. Eleven of these new streets totaling approximately seven miles were accepted during 1970.

Under Summer Maintenance these roads were oiled:

Harriman Road	Congressional Avenue
Cifre Lane	Mankill Road
Spinney Avenue Ext.	Shady Lane
Kelly Road (near the brook)	Sequoia Street
Greystone Avenue	Little Nook Road
Sunview Park (circle)	

Many hours were spent patching due to frost heaves caused by winter conditions and heavy traffic. In the future all new streets will be hot-topped before acceptance, which will keep patching at a minimum.

The T.R.A. money was spent on improving the drainage problem on Dauntless Lane.

Weather conditions were abnormal in December causing an increase in costs of Winter Maintenance. Our department has concentrated on the school bus roads due to the buses now using them over a period of approximately twelve hours a day.

It has been a pleasure to serve the people of Plaistow, and I also want to take this opportunity to thank everyone for their co-operation.

Respectfully submitted,

ALBERT HOYT, JR.
Highway Agent

CEMETERY TRUSTEES

Plaistow, New Hampshire
February 3, 1971

We have this day, examined the accounts of the Selectmen, Treasurer, Town Clerk, Collector of Taxes, Treasurer of the Public Library Trustees, Trustees of Trust Funds and the District Court for the year ending December 31, 1970 and find them correctly cast and proper vouchers for all expenditures.

We will examine the allocation of income and expenditures to the individual Trust accounts, as soon as records are available.

REPORT OF THE FIRE DEPARTMENT

In 1970 there was ninety-four alarms. Seven of these alarms involved buildings, and one alarm involved a business building. The fire loss this year may exceed \$80,000.00.

Other calls were as follows:

Sprinkler alarm resets -----	2
Smoke filled buildings -----	3
Plaistow Dump -----	13
Cars, trucks, or other machinery -----	19
Grass, Incinerators, and outdoor burning -----	34
Chimney fires -----	1
False Alarms -----	4
Lost Children -----	2
Shed Fires -----	2
Miscellaneous, including help to highway department, broken gas line, and a fallen live electric wire -----	5

We responded to two out of town fires at Newton, New Hampshire, and in turn Newton was called in by our department twice, and Atkinson, N.H. was called in once.

I would like to commend the board of Fire Engineers and our loyal firemen, without their co-operation and help I could not have done my job as Fire Chief. Also I would like to thank all the very co-operative businessmen and citizens who helped a great deal.

For the safety of the people considerable time has been spent enforcing the oil burner permit rule. It is required to have a written permit, before they install an oil burner.

The hydrant system has been inspected, and has been found to be in good working order. We had the N.H. Fire Underwriters look at the hydrant system, to approve it for a reduction in fire insurance for buildings within 600 feet of a hydrant. A letter has been received stating final approval should be forthcoming.

We have added two scott air packs and various other equipment to up date our growing needs.

Long hours have been spent with my officers to make sure your fire department carries on its work in protecting you the citizen.

For the extra work put forth by my men and myself, I have proposed in this years budget an increase in their hourly wage to \$2.50 for the first hour, also to give the Engineers \$100.00 a year, and the Fire Chief \$300.00 a year.

On behalf of the officers and firemen I would like to thank these retired men for the long hard hours they have given to the Town of Plaistow over the years: Harrison Herrick, Donald Gilman, Robert Lang, and past Fire Chief John Palmer.

Respectfully submitted,

GEORGE B. PEABODY
Fire Chief

REPORT OF THE BUILDING INSPECTOR

TO: Board of Selectmen
Plaistow, New Hampshire

FROM: Arthur J. Robidoux, Building Inspector

Dear Sirs:

I respectfully report the following building permits issued from January to December 1970:

	TYPE	NUMBER OF PERMITS	ESTIMATED COST
DWELLINGS	One family	17	\$373,300.00
	Two family	10	251,000.00
	Four family	2	99,000.00
ADDITIONS		20	38,800.00
REMODEL		4	11,300.00
SWIMMING POOLS		18	38,871.00
GARAGES		8	14,800.00
MOBILE HOMES		2	22,500.00
COMMERCIAL PROPERTY		14	254,609.00

A total of ninty five (95) permits, for a total estimated cost of \$1,104,180.00.

Respectfully submitted,

ARTHUR J. ROBIDOUX
Building Inspector

REPORT OF THE TREE WARDEN

Twenty one dead or diseased trees were removed from town roads during 1970. Two were removed by contract, three by the Exeter and Hampton Electric Co, and the remainder by the Tree Warden. A good number of these trees have been dead for a number of years so that some of this work is "catch-up" work, thus accounting for such a large number of removals.

Although there are many dying trees along our state roads which need removal, the State Highway Department has informed us that it would be doing no removal work this Winter due to the financial condition of the State. It had been anticipated that much of this removal work would be done this Winter, but now the best we can expect is possibly some such work in the Spring. The State Highway Department did, in August, have the stumps removed along the state roads from trees removed in past years. The State Entomology Department surveyed Plaistow in July for Dutch Elm Disease and reported more than 30 new trees which have been apparently infected.

The "Town Elm" apparently contracted the Dutch Elm Disease this past Summer. An effort was made to halt the disease from spreading throughout the tree by removing the infected branches however it is realized that such attempts are usually in vain. Some removal of dead branches was accomplished this Summer although if the tree should survive the Dutch Elm Disease, there is considerable more work to be done on the tree if it is to remain for many more years. At best, it's life is very limited.

Although we are trying to remove as many dead or dying trees as possible, we are continuing and even expanding the tree planting program. This past Spring sixteen trees were planted and except for a few destroyed by vandalism, they appear to be in good shape at the end of the Summer. In addition to planting maple and linden trees, we also planted flowering trees which enables us to plant in areas too congested for large trees and also, of course, will add variety to our foliage. New trees are planted as far from the road as practical in order to minimize damage by salt from the highways.

Respectfully submitted,

LEON A. BOWIE
Plaistow Tree Warden

REPORT OF THE PLANNING BOARD

The Town of Plaistow has continued to grow during the past year. In order to cope with this growth, and to ensure the orderly development of the Town, the Planning Board has been active during the past year. Regular monthly meetings, as well as many other non-scheduled meetings have been held.

Three subdivisions have been approved. The following streets have been accepted by the board:

Culver	Linwood	Auburn	Dalton
Dundee Drive	Shady Lane	Brentwood	Upper Road
Little Nook	Greystone	Sequoia	Starn Ave.
Autumn Circle			

New Subdivision Regulations have been adopted and printed. These regulations require bituminous concrete roads and more stringent requirements for placement of utilities and drainage and should result in decreased town maintenance of roads.

A Town Map and a Zoning Map has been prepared. The Zoning Ordinance has been updated, and copies printed.

A professional engineer has been retained to ensure that plans for new subdivisions are in the best interests of the Town, and all specifications for roads and storm drains are met.

Our close proximity to route 495, and the distinct possibility of a connector to route 495, portends an increasing rate of growth for Plaistow. The Board recognizes the need for planning for town water and sewers to meet this growth. Protection of watershed areas must be provided while they still are available. Support of the request for funds for the Southern Rockingham Regional Planning Board will permit these studies to be carried out, and to help this region to become certified. Recent Federal regulations require membership in a certified regional planning board in order for the Town to be eligible for Federal funding. The Board respectfully requests the Town's support of this item.

Regular meetings of the Planning Board are held on the second Thursday of each month at 7:30 P.M. in the Town Hall. The Board invites interested citizens to attend to help it plan for the orderly growth of our Town.

The Planning Board thanks Paul C. Studley, Stuart L. Jeans, William C. Bramley, and Richard T. Lunt, former Planning Board members, for their many contributions to the Town; in particular for the preparation of the new subdivision regulations, and the amended zoning ordinance.

Respectfully submitted,

Edward H. Mayer, Chairman
William P. Nichols, Secretary
Thomas H. Cullen
J. Alden Palmer, Jr.
Donald F. Robinson

REPORT OF THE ZONING BOARD OF ADJUSTMENT

Public hearings are held on the last Monday of each month, and special hearings will be held at other times when deemed necessary.

A petition was presented for a mobile home park off Route 108. This was denied because thirty (30) acres of land for the park was to be in a residential zone. Petitions were presented for the removal of gravel, and after hearings and viewing the gravel sites, permits to remove were granted for each site, after a suitable bond was made to the Town of Plaistow.

This year we lost through resignation three veteran members of the board, namely John Marshall who has served many years as chairman since the board was established in 1938, Philip McKeen who has served as vice-chairman, and Edward D. McKenzie who was chairman at the time of his resignation. These men gave many hours of their time and energy, and deserve thanks from the people of the town for a job well done.

Neil F. Walker, Thomas Allison, and John Fitzgerald were named by the Moderator to fill these vacancies to the board. It is the hope of the board to have printed forms available for applicants to apply for hearings, so that all necessary information will be readily available. This board has at all hearings weighed all the evidence presented and handed down decisions that were in the best interest of the Town and spirit of the ordinances. These ordinances are not made up by this board but it is you the voter that create these ordinances at annual town meetings in March, and it is up to this board to see that they are adhered to, and variances or exceptions granted when and where necessary.

If you desire a hearing, try to get the application to the secretary of the board before the eighth of the month, as it must be advertised at least fourteen days before a public hearing.

Respectfully submitted,

John Hansbury, Chairman
Neil F. Walker, Vice Chm.
Donald C. Gilman, Secretary
Thomas Allison
John Fitzgerald
BOARD OF ADJUSTMENT

REPORT OF THE INDUSTRIAL COMMISSION

A re-organizational meeting of the Industrial Commission was called by the Board of Selectmen in October, 1970. Charles R. Graham, Daniel F. Healey, Robert D. Rauh, and William F. Simmons were appointed new members of the Commission. Charles R. Graham was elected Chairman, and Daniel F. Healey was elected Secretary.

Plans were undertaken to list all businesses in Plaistow to be on file in the Plaistow Town Hall. The Industrial Commission plans to contact each business.

The year 1971 will be a very active year for the Plaistow Industrial Commission. We have many new projects planned.

The Industrial Commission will recommend to the Planning Board, that the section of land on the northerly side of Route 125, between Old County Rd. and the Kingston, New Hampshire town line, which extends 1,000 feet from the northerly edge of the right of way of Route 125, now zoned industrial, be rezoned industrial and/or commercial.

There are two pieces of land, one consisting of sixty-five (65) acres, and one consisting of twenty-one (21) acres, which we may recommend to the planning board, for commercial and/or industrial re-zoning.

Our aim is to work with present business and attract new business in order to broaden our tax base which will help the property owner.

Respectfully submitted,

Charles R. Graham, Chairman
Daniel F. Healey, Secretary
Irving S. Gilman
Carlton S. Ingalls
Edward A. Ingalls, Jr.
Robert D. Rauh
William F. Simmons, Jr.

REPORT OF THE DOG OFFICER

TO: Board of Selectmen
Plaistow, New Hampshire

FROM: Alexander Brown, Jr.
Dog Officer

Gentlemen:

The following list covers from January to December 1970:

Total calls answered -----	174
Dog bites -----	17
Cat bites -----	1
Dogs destroyed -----	36
Cats destroyed -----	11
Animals traced and returned to owner thru licenses -----	36

This year letters where sent to residents owning dogs reminding them of the importance to license animals.

It has been a pleasure to serve the residents of Plaistow, and I look forward to being of assistance this following year.

Respectfully submitted,

ALEXANDER BROWN, JR.
Dog Officer

REPORT OF THE BOARD OF HEALTH

This year, in order to expand the services of the board, a four member Board of Health was formed. The members are:

Jack Tatirosian, M.D... Chairman
Arthur J. Robidoux Inspector of Septic Systems
Frederick Royer Inspector of Food Handling Establishments
Anne Peaslee, R.N..... Secretary

The board has met every two months, and the members have worked together harmoniously.

Reports of communicable diseases have been made regularly to the State Board of Health. We feel, however, that we have not been receiving reports of all cases of contagious diseases, and urge the attending physician or the householder to make these reports in the future. This includes strep infections. Reports should be directed to the secretary of the board.

From April through December, there were twenty-eight septic systems repaired. All of these systems were approved for construction by the Pollution Control Commission.

All new and renewal sewage disposal systems are not to be covered without the proper inspection of the local building inspector.

Approximately fifty percent of the restaurants and food stores in town have been inspected. Upon re-inspection, most violations were found to have been corrected.

In the future, the inspector plans to inspect all establishments twice a year.

Respectfully submitted,

JACK TATIROSIAN, M.D.
Chairman

REPORT OF THE STREET LIGHT INSPECTOR

The following changes were made in the street lights of Plaistow during the past year.

Forty-eight 100 watt mercury vapor street lights were installed at the following locations:

STREET	POLE #	STREET	POLE #
Auburn Street	1520	North Main Street	1059
Auburn Street	1524	North Main Street	741

Newton Road	691	Westville Road	453
Newton Road	707	Woodland Drive	1305
North Main Street	161		

Respectfully,
ROBERT S. BURNELL
Street Light Inspector

REPORT OF THE LIBRARIAN

When the library is closed, library books may be deposited in the Book Return at the entrance to the Town Hall. This Book Return, donated by the Friends of the Library, has proven very useful. Book and food sales, held by the Friends, have benefited the library.

Patrons requested three hundred and three adult non-fiction books from the State library. The bookmobile made three visits and loaned one thousand five hundred and seventy-three books to our library.

The one hundred dollar State grants-in-aid money made possible the purchasing of several reference books.

A New Hampshire Statewide Library card may be obtained from the library to patrons in good standing according to the rules of the library. This card may only be used in libraries in the State.

Story hours were held for the kindergarten children, and films were shown to the elementary school children. The annual Second Grade Reading Club party was held at the Pollard School with entertainment furnished by the school children.

Extra library hours in the morning are being held to benefit students attending Timberlane in the afternoon. To date, not many students have taken advantage of this opportunity.

Three new book trucks were purchased to provide more room for books. Steel shelving has been installed at the entrance to the library. It is hoped that more steel shelving will be added in the near future.

LIBRARY HOURS

Monday -----	9:00 to 11:00 A.M.	2:00 to 5:00 P.M.	6:00 to 8:00 P.M.
Wednesday -----	9:00 to 11:00 A.M.	2:00 to 5:00 P.M.	6:00 to 8:00 P.M.
Friday-----	9:00 to 11:00 A.M.	2:00 to 5:00 P.M.	6:00 to 8:00 P.M.

Librarian

REPORT OF THE RECREATION COMMISSION

War Memorial Field - a recreational area established to honor veterans of the Town of Plaistow - has in the past year continued to provide an area where the youth of Plaistow can enjoy its recreational facilities.

In the spring and early summer there is a program of baseball for the boys ages eight through twelve. This is a well organized and highly successful program with about one hundred and seventy-five participating. The expenses for this program were over \$2,000.00. The Recreation Commission gave \$390.80 to help fund this program.

In addition to this we have the Babe Ruth League for older boys with about 35 participants. The cost of this runs between five and six hundred dollars. The recreation commission allotted no funds last year for this program.

There was a fifth and sixth grade girls softball program started in 1970. No funds were allotted for this program and expenses were about thirty dollars.

During the summer months there are many unorganized activities being conducted at the War Memorial Field.

In the fall we see about eighty-five, sixth, seventh, and eighth grade boys back at the War Memorial Field doning their football gear, preparing to take their knocks in the Haverhill YMCA League, where one of our Plaistow teams were Co-Champs in 1970. The Recreation Commission added two hundred dollars to the football treasury where expenses ran over \$2,300.00.

In the late fall and through the winter we move inside to the Pollard School Gym where a basketball program is conducted. This program is for fourth, fifth, and sixth grade boys, and fifth thru eighth grade girls. It includes about two hundred children. The Recreation Commission allotted \$87.37 when expenses ran to about five hundred dollars.

At this time we would like to express our sincere thanks and appreciation to the many coaches, and helpers for their many hours of planning and execution of all these worthwhile programs.

The beneficiaries of all these programs will be the children of the Town of Plaistow.

Keeping in mind the expenses incurred by these programs the Recreation Commission has submitted a budget of \$2,400.00 for 1971, broken down as follows:

Baseball	\$700.00	Football.....	\$700.00
Babe Ruth	\$250.00	Basketball.....	\$500.00
Softball	\$ 50.00	Field Maintenance	\$200.00

Donald F. Robinson
RECREATION COMMISSION

REPORT OF THE CEMETERY SEXTON

I was appointed Cemetery Sexton May 10, 1970. I have fulfilled the normal activities of this office since that time. These activities include sale of lots, grave opening and closing, mowing, raking, and trimming of lots. In addition, many old lots were refilled and leveled, some hundred stones were set and straightened, and the fence and tool house was painted.

If there are any questions or problems, please feel free to contact me at 382-5348 anytime.

I sincerely hope you are completely satisfied, that your tax dollars are being spent conservatively and wisely, and that the improvements at the Plaistow Cemetery are noticeable.

Respectfully,

HERBERT K. REED
Cemetery Sexton
